

U. S. DEPARTMENT OF COMMERCE  
WEATHER BUREAU

The John Campbell John Award

PRESENTED TO

Lindsay W. Crook

for outstanding accomplishment in the  
field of meteorological observations.

*John Campbell*  
DIRECTOR

\* CITATION \*

For faithfully carrying on since 1939 a volunteer weather observational program in Heber, Utah, where his grandfather, John Crook, began it, unofficially in 1858 and officially in 1893, and where his uncle, H. G. Crook, continued it from 1921 to 1939 - making, in all, a hundred year span of one family's devotion to public service.

June 2, 1960

Environmental Science Services Administration

THOMAS JEFFERSON  
AWARD

LINDSAY W. CROOK

CITATION:  
For over 100 years  
of outstanding family  
achievement as weather  
observers in Heber  
Valley, Utah.

For unusual and outstanding  
accomplishment in the field of  
meteorological observations in the  
tradition of Thomas Jefferson, pioneer  
weather observer and third President  
of the United States.
